THE NORFOLK BREWHOUSE

THE KINGS HEAD is delighted to have teamed up with local, award-winning Norfolk Brewhouse.

The Norfolk Brewhouse is a farm-based brewery, just 6 miles from the King's Head, run by Rachel and David Holliday – a couple with a passion for crafting distinctive, high-quality ales and lager.

Making the most of all that is around them they use chalk-filtered water from the brewery's own well and Norfolk's finest malting barley – Maris Otter. Unsurprisingly the brewery has gained a strong reputation for quality, distinctive beers.

Their reputation and connections also allows them to bring to the King's Head beers from all over the UK as part of an ongoing guest brewer programme – so, do look out for the Brewery of the Month - where we aim to bring you superb beers rarely found in the area.
